Dear Parent/Guardian,

This morning, a Florin High School student reported to a school official that an unfamiliar adult male was following the student near the bus stop in front of the school. The student also informed the school official that the same adult male was harassing the student the previous day at the intersection of Gerber and Power Inn roads. The student did the right thing by not interacting with the adult and by reporting both incidents to school administrators and to law enforcement. School officials immediately contacted law enforcement to investigate.

The suspect is described as being an adult male aged 50- 60-year-old wearing a white shirt with either yellow or orange horizontal stripes and having a raspy voice. The male was driving a red four-door sedan.

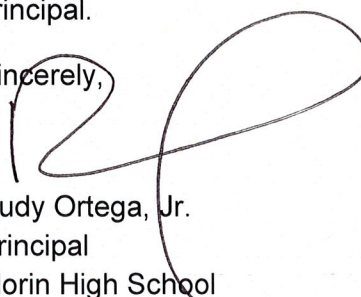

Please know that we will have an increased police presence patrolling the neighborhood and area near the school over the coming days. If you have any information about this individual, please contact the Elk Grove Unified School District Safety and Security Department at [\(916\) 686-7786](tel:9166867786).

Also, please continue to impress upon your child to follow these basic rules when walking to or from school:

- Do not talk to strangers, even if they know your name.
- Always walk directly to and from school using the same path every day.
- Always walk or ride your bike with a group of friends.
- Run directly to school or home if a stranger approaches you.
- Immediately notify a school official or parent.

The safety of our students and staff is a top priority at our school. Students are encouraged to do the following: "If you SEE SOMETHING or KNOW SOMETHING, SAY SOMETHING." If you have any questions, please feel free to contact your child's school principal.

Sincerely,

Rudy Ortega, Jr.
Principal
