Dear Parents/Guardians,

On Friday afternoon, Florin High School campus security immediately responded to an off-campus altercation between students and intervened. The incident was stabilized and campus security brought all of the involved students to the school office to provide care, contact parents, and begin an investigation. Today, school officials and law enforcement met with the families of the students involved to discuss the findings of the investigation.

The school does not tolerate any aggressive behavior by students on or off campus and has immediately taken swift action to work with the students and to build positivity about the school and confirm the expected culture of positive behavior for a safe, inclusive and accepting school climate. Students involved in any fighting will be disciplined appropriately.

We are sharing this information with you as part of our ongoing efforts to keep you informed about incidents that affect our campus. If you have any questions please feel free to contact me at (916) 689-8600.

Sincerely,
