

Dear Future Florin Panther Families,

We are excited for the upcoming 2018-2019 school year and are confident that our welcoming school culture will challenge your son/daughter academically and prepare them with the skills needed to be successful in our ever-changing world.

On February 6, 2018, Florin High School counselors will be travelling to Rutter Middle School for course registration. Our counselors will be speaking to every 8th grade student about what classes they will be taking as a Freshmen at Florin High School. Please encourage your student to ask questions about any program/academy that may interest them.

We believe that a student that is connected to our campus will be a successful one. In addition to numerous clubs and athletic programs, we provide a variety of academic programs for students to join. They include:

- Agriculture Technology Academy
- AVID
- Automotive Pathway
- Culinary Arts Pathway
- Information Technology Academy
- LAW Academy
- Project Lead the Way (Engineering)
- 16 Advanced Placement courses

Finally, we would like to invite you and your family to our Open House on April 26, 2018 from 5:30-7:30pm. This will give you a chance to see all that Florin High School can offer your incoming 9th grader. Our marching band and choir will perform, our visual arts program will feature creations from our art, digital photography, and ceramics classes, and staff and students will be available to answer questions and share specifics about our campus. If you arrive at 5:30pm and are lucky enough to be one of the first 250 guests, school administrators will serve you and your family free food.

We hope your son/daughter has a great end to 8th grade and are truly looking forward to meeting you. Don't hesitate to reach out to us if you have any questions.

Florin High School
