Dear Parent/Guardian,

In late January, school administrators and law enforcement at Florin High School immediately and thoroughly investigated a rumor of a student who had threatened to do harm to individuals. Law enforcement with school administrators identified, detained, and interviewed the student in question and their parents. School officials communicated with all parties involved, and law enforcement determined that the rumored threat was unsubstantiated and found not to be credible.

Given the recent news of Florida, concerns of safety have resurfaced and law enforcement working with school officials reconfirms that the January threat was unsubstantiated and found not to be credible.

We take all threats seriously, as the safety of our students and staff is a top priority. We do not consider threats or rumors of threats to be pranks, and appropriate action was taken in January to address the situation at that time. We tell our students, staff, parents and community "If you see something, or know something, say something."

We are sharing this information with you as part of our ongoing efforts to keep you informed about incidents that affect our campus. If you have any questions please feel free to contact me at (916) 689-8600.

Sincerely,

A handwritten signature in black ink, appearing to read "Denise Escobar".
